

6D5N Explore GUILIN

TOUR CODE : MUSKWL-A

Highlight

[Yushan Park] the largest and most beautiful antique garden in Guilin. There are many cultural landscapes settled in the park. According to historic records, about 4,000 years ago, emperor Yu, one of the first and legendary emperors of pre-dynastic period, had been here; and the governor of this area in the Qin Dynasty raised a memorial for that.

[Silver Cave] the typical karst landscape, running through 12 hills. The cave is a floor-type cave, with three layers and more than ten scenery spots and different types of stalactites, which are crystal clear and sparkling like silver, thus providing the area with its common name. The most three famous scenic areas include snow-mountain with waterfall. In the early 1999, it was listed as one of "Guilin tourism scenic spot of civilization demonstration.
